II. Basis for Jurisdiction

Under 42 U.S.C. § 1983, you may sue state or local officials for the “deprivation of any rights, privileges, or immunities secured by the Constitution and [federal laws].” Under *Bivens v. Six Unknown Named Agents of Federal Bureau of Narcotics*, 403 U.S. 388 (1971), you may sue federal officials for the violation of certain constitutional rights.

A. Are you bringing suit against (check all that apply):

☐ Federal officials (a *Bivens* claim)

☒ State or local officials (a § 1983 claim)

B. Section 1983 allows claims alleging the “deprivation of any rights, privileges, or immunities secured by the Constitution and [federal laws].” 42 U.S.C. § 1983. If you are suing under section 1983, what federal constitutional or statutory right(s) do you claim is/are being violated by state or local officials?

Civil Rights, Human Rights, Constitutional Rights

C. Plaintiffs suing under *Bivens* may only recover for the violation of certain constitutional rights. If you are suing under *Bivens*, what constitutional right(s) do you claim is/are being violated by federal officials?

- D. Section 1983 allows defendants to be found liable only when they have acted "under color of any statute, ordinance, regulation, custom, or usage, of any State or Territory or the District of Columbia." 42 U.S.C. § 1983. If you are suing under section 1983, explain how each defendant acted under color of state or local law. If you are suing under *Bivens*, explain how each defendant acted under color of federal law. Attach additional pages if needed.

As a victim of remote neural monitoring, my rights are being violated.

III. Statement of Claim

State as briefly as possible the facts of your case. Describe how each defendant was personally involved in the alleged wrongful action, along with the dates and locations of all relevant events. You may wish to include further details such as the names of other persons involved in the events giving rise to your claims. Do not cite any cases or statutes. If more than one claim is asserted, number each claim and write a short and plain statement of each claim in a separate paragraph. Attach additional pages if needed.

- A. Where did the events giving rise to your claim(s) occur?

Watertown NY.

- B. What date and approximate time did the events giving rise to your claim(s) occur?

I don't have an approximate date, it's been an ongoing unofficial investigation.

- C. What are the facts underlying your claim(s)? (For example: What happened to you? Who did what? Was anyone else involved? Who else saw what happened?) The first time I remember my mind being sent a photograph or video image was in 2018. Then in 2020 during a neurology scan they sent some sort of imaging into my brain. They do this often. The scan was done in March of 2020. They have been periodically seizing my brain using the technology outlined in the Assembly Bill A8195. They have brainwashed me. They work on individual parts of my brain working on a "program". They refer to it as the "system". It may have caused severe damage to my body and brain as I am not the same

IV. Injuries

If you sustained injuries related to the events alleged above, describe your injuries and state what medical treatment, if any, you required and did or did not receive.

I have Sustained Severe injuries in the past. Their technology Had almost crippled me. They are trying to make it seem as if I have multiple personality disorder. The A.I. has programmed different things in my mind that are absolutely awful. They have made changes in my emotions, my physiology my body, They have tried to hypnotize me. They have done this thing where they seem to broadcast my "voice print" to devices and people. They have Sexually abused me so badly, they have Physically abused me, mentally. They seem to have taken things from my home. They have a program that can change my handwriting slightly. They have harassed me, every morning my brain seems to be different as they fill the parts with lies and terrible images. They threaten to dump it into my consciousness and then they threaten I will be killed or worse. I want off the "system!"

V. Relief

State briefly what you want the court to do for you. Make no legal arguments. Do not cite any cases or statutes. If requesting money damages, include the amounts of any actual damages and/or punitive damages claimed for the acts alleged. Explain the basis for these claims.

I am Seeking money damages. In the amount of 150,000.00 for the extreme brutal force, almost lethal force, extreme Sexual abuse, cruel and unusual Punishment, physical abuse, mental abuse and suffering the extreme interrogation techniques the confusion, loss of use of my brain, the invasive Brain wave patterns, the sent videofeeds, texts and disgusting false accusations they constantly have done the way they have ruined my life, Sending me to the hospital against my will where I was given a psychotropic medication in a brutal way against my will, all the breakins and items they have taken from my home in the past in hopes to frame me as what seems to be some kind of terrible criminal, emotional damages as well. I also want the court to help me get off their "system!"
